ALL THE TOOLS YOU NEED

When it comes to getting the tools you need to improve productivity, increase profits and find new ways to survive in today's competitive business environment, nothing compares to **FABTECH**. One week, one convenient location, one opportunity to keep your business on the cutting edge.

"If you want to stay competitive you need to have state of the art equipment. You have to be frugal with your money and make wise decisions. This is a good place to look at everybody's offerings and make informed choices."

— Attendee *Robert Kosicki, Weld Engineer Northern Stamping*

"We have a couple of items we came specifically to look for. One of the items we're concerned about is the noise level it produces, so we're going to turn it on and listen to it while we're here."

— Attendee *Lee Curtis, President Curtal Corp.*

ALL THE INDUSTRY CONNECTIONS

Meet over 1,000 exhibitors who represent every market segment from metal forming, fabrication and welding to tube & pipe, finishing and more. Take a look at this year's exhibitor list beginning on page 4.

ALL THE NEW PRODUCTS

See the latest technologies in the market today, compare exhibiting companies and discover innovative products and ideas to make your processes faster, more efficient and less costly.

ALL THE LEARNING OPPORTUNITIES

Gain new knowledge beyond the show floor. Benefit from the expertise of leaders in the industry by taking part in any one of the 100+ career-enhancing educational sessions.

ALL THE SOLUTIONS

Take advantage of valuable face-time with technical experts. Find suppliers that understand the industry and are ready to discuss your product specifications and production challenges.

SHOW DATES & HOURS

Tuesday, November 2 9:00 a.m. – 5:00 p.m.

Wednesday, November 3 9:00 a.m. – 6:00 p.m.

Thursday, November 4 9:00 a.m. – 4:00 p.m.

ALL THE LATEST TECHNOLOGY

Attendees can see, touch and take part in a unique interactive experience with hundreds of products and services on the show floor. An array of technologies* shown below can be found on display within pavilions dedicated to metal forming, fabricating, welding, tube & pipe, lasers and finishing.

Arc Welding	Plate & Structural
Assembly	Fabricating
Bending & Forming	Press Brakes
Brazing & Soldering	Punching
Business Services	Resistance Welding
Coil Processing	Robotics
Cutting	Safety & Environmental
Fastening & Joining	Saws
Finishing/Organic	Software,
Finishing/Inorganic	Machine Controls
Gases & Gas Equipment	Stamping
Hydroforming	Thermal Spraying
Inspection & Testing	Tool & Die
Job Shop/Contract Mfg.	Tooling
Lasers	Tube & Pipe
Lubrication	Fabricating or Welding
Maintenance & Repair	Tube & Pipe Producing
Material Handling	Welding Consumables
Metal Suppliers	Welding Machines

* More than 400 product subcategories fall within each technology listed above. To find exhibitors by subcategory, use the **PRODUCT SEARCH** function at www.fabtechexpo.com.

NEW AT FABTECH!

FINISHING TECHNOLOGIES PAVILION & CONFERENCE

See the latest in finishing technology — it's all debuting at FABTECH this fall. The Finishing Pavilion and Conference is sponsored by the Chemical Coaters Association International.

- Liquid Painting
- Powder Coating
- Electrocoating
- Plating
- Pretreatment
- Application Equipment and more!

"This was my third FABTECH. I came to see the latest trends in metal forming and to watch some of the machines in action that would benefit our shop."

— Attendee *Jessica Reid*,
Engineer
Cameron International

"We need to see what's the latest and greatest. We're always looking for the newest innovations ... new ways to cut and weld structural steel."

— Attendee *Quinn Leder*,
Owner
Supreme Steel Co.

ALL THE EXHIBITORS

Over 1,000 exhibitors will be on hand to showcase the hottest technology in the industry today! Exhibitor list by pavilion is as of 6/10/10; go to fabtechexpo.com for the most up-to-date information regarding the show.

ALL THE EDUCATION

You can benefit from the expertise of leaders in the industry by participating in the FABTECH 2010 educational programs. Sessions are designed with the industry in mind, with topics focused on management, green/energy, forming/fabricating, stamping, tube & pipe, cutting, welding and finishing. Use the **Schedule-at-a-Glance** as a quick reference guide to all the free and low-cost seminars, professional programs, conferences and technical tours available at this year's event.

Full session descriptions and the most up-to-date information can be found at www.fabtechexpo.com.

ABOUT THE PROGRAMS

The **FABTECH Conference** is co-sponsored by the Fabricators & Manufacturers Association, Int'l. (FMA), Society of Manufacturing Engineers (SME), Precision Metalforming Association (PMA), and Chemical Coaters Association International (CCAI). All sessions are two hours in length, offering practical knowledge you can start using right away. The program also includes "Tech Tours," which combine classroom instruction followed by expert-led guided tours on the show floor to see technology operating in designated booths.

The **American Welding Society (AWS)** offers a comprehensive lineup of welding education. Led by the industry's top professionals, sessions focus on the latest in welding research and new commercial developments. Sessions include an array of one-, two- and three-day conferences, seminars and professional programs designed with the industry in mind.

EARN CONTINUING EDUCATION CREDITS

Individuals who attend AWS education programs are awarded 1 PDH (Professional Development Hour) for each hour of education program attendance. Individuals seeking FMA Recertification Credits will be awarded 2 credits for each conference session attended (Forming & Fabricating, Cutting, or Finishing tracks) plus an additional 2 credits for attending the FABTECH show.

TUESDAY, NOVEMBER 2

SCHEDULE-AT-A-GLANCE

TECHNOLOGY	8:00 a.m. – 10:00 a.m.	10:30 a.m. – 12:30 p.m.	1:30 p.m. – 3:30 p.m.
CUTTING		Lasers 101 with Tech Tour (F20)	Comparative Cutting with Tech Tour (F30)
FINISHING <i>NEW TRACK!</i>	Introduction to Finishing (Painting) Processes (C10)	Selecting Coatings for Your Parts: An Overview of Today's Coating Technologies (C20)	Right-Sizing Your Finishing System (C30)
	Introduction to Plating & Environmental Regulations (C11)	Understanding the Basics of Electrocoat (C21)	The Future of Coatings Technology (C31)
	Manual Powder Coating Basics (C12)	The Ins and Outs of IR & IR Applications (C22)	Modern Pretreatment: The Basics (C32)
FORMING & FABRICATING	NEW Forming & Fabricating of Lightweight Metals (F10)	Safeguarding Your Equipment (F21)	Punch Press & Tooling Technology (F31)
			Estimating – Made to Order Manufacturing (F32)
GREEN/ENERGY INITIATIVES		NEW A Metal Fabricators Journey into Environmental Management (F22)	Cost-cutting Scrap Handling Improvements (F33)
MANAGEMENT	NEW Introduction to True Kaizen (F11)	Lean 101 – Principles of Lean Manufacturing (F23)	Lean 202 – Advanced Value Stream Mapping (F34)
		NEW Continuous Improvement (F24)	NEW Kaizen Boot-Camp: Hands-on (F35)
	Driving Productivity Through Employee Engagement (F12)	NEW Developing the Next Generation Leader (F25)	NEW ISO Certification: Increase Profitability While Delivering Better Products and Services (F36)
	Is Your Company Leaving Money on the Table? R&D Tax Credit (F13)	NEW Automation Strategies to Streamline Your Job Shop Office (F26)	NEW Strategic IT Planning (F37)
STAMPING	Value Added Stamping Technologies I (S10)	Value Added Stamping Technologies II (S20)	Competitive Strategies (S30)
	Optimizing Die Design (S11)	Stamping Efficiently (S21)	
TUBE & PIPE	Today's Tooling Designs for Tube Mill Set-Up & Maintenance Programs (F14)	NEW Materials/Metallurgy (F27)	NEW Tube & Pipe Inspection (F38)
WELDING			
CONFERENCES	National Welding Education Conference (W20) • 9:15 a.m. – 4:30 p.m. What's New in Weld Consumables (W21) • 9:00 a.m. – 4:00 p.m.		
SEMINARS	Why and How of Welding Procedure Specifications (W25) • 9:00 a.m. – 4:30 p.m. Road Map Through the D1.1:2010 Structural Welding Code – Steel (W26) • 9:00 a.m. – 4:30 p.m. Visual Inspection Workshop Day 1 (W30) • 9:00 a.m. – 4:30 p.m.		
PROFESSIONAL PROGRAM	Session 1: International Trends in Welding Research (W32) • 8:00 a.m. – 10:15 a.m. Session 2: Friction Stir Welding (W32) • 2:00 p.m. – 5:00 p.m. Session 3: Weldability Issues (W32) • 2:00 p.m. – 5:30 p.m.		
SPECIAL PROGRAMS	AWS Awards Luncheon (W37) • 12:00 p.m. – 2:00 p.m. Thermal Spray Basics (W38) • 11:00 a.m. – 5:00 p.m.		

WEDNESDAY, NOVEMBER 3

SCHEDULE-AT-A-GLANCE

TECHNOLOGY	8:00 a.m. – 10:00 a.m.	10:30 a.m. – 12:30 p.m.	1:30 p.m. – 3:30 p.m.
CUTTING	Laser Cutting Technology (F40)	Waterjet Cutting Advancements (F50)	Plasma Plate & Structural Cutting (F60)
		NEW Laser Cutting Considerations for First-time Buyers (F51)	NEW New Laser Technology & Applications (F61)
FINISHING NEW TRACK!	Advancements in Liquid Coating Materials and Equipment (C40)	The Efficiencies of Electrocoating (C50)	Maximizing Your Electrocoat Throughput (C60)
	So You Want to Paint A Part: Working with a Custom Coater or Doing it In-House? (C41)	Understanding & Lowering Your Finishing Costs (C51)	Advancements in Pretreatment (C61)
	Finishing System Design for the 21st Century (C42)	Fast & Profitable Powder Coatings Systems (C52)	Emerging Technologies in Finishing (C62)
FORMING & FABRICATING	Press Brakes (F41)	Roll Forming Basics (F52)	Roll Forming Tooling/Advanced (F62)
	Getting Started with Robotics (F42)		Automated Joining for Fabricators (F63)
GREEN/ENERGY INITIATIVES	NEW Fabrication for the Solar Energy Industry (F43)	NEW Fabrication for the Wind Energy Industry (F53)	NEW Sustainability Tools for Manufacturers (F64)
MANAGEMENT	Lean 203 – 5S Workplace Organization and Standardization (F44)	Demand Pull in the Fabrication Job Shop (F54)	NEW Low Volume, High Variety Production – No Problem for Lean (F65)
	Top 10 Secrets of Lean Success for Managers (F45)		
	Seven Secrets of Manufacturer Marketing (F46)	NEW Search Engine Optimization: The Must-Have for Every Company Web Site (F55)	NEW Lean Above the Shop Floor (F66)
	NEW Financial Forecasting & Cash Flow Management (F47)	NEW Congrats You Survived: Strategies for Re-emerging (F56)	NEW Developing, Implementing, and Maintaining a Successful Safety Program (F67)
STAMPING	Tooling Technologies I (S40)	Tooling Technologies II (S50)	Optimizing Stamping Fluids (S60)
	Sensors for Error-Proof Metal Forming I (S41)	Sensors for Error-Proof Metal Forming II (S51)	
TUBE & PIPE	Tube & Pipe Fabrication Basics (F48)	NEW Lasers for Tube & Pipe Fabricating w/ Tech Tour (F57)	
WELDING			
CONFERENCES	The Tools and Roadways to Effective Weld Repairs (W22) • 9:00 a.m. – 4:00 p.m. New Developments in Thermal Spray Coatings, Processes and Applications (W23) • 9:00 a.m. – 3:30 p.m.		
SEMINARS	Metallurgy Applied to Everyday Welding (W27) • 9:00 a.m. – 4:30 p.m. D1.1:2010 – Fabrication and Inspection (W28) • 9:00 a.m. – 4:30 p.m. Visual Inspection Workshop Day 2 (W30) • 9:00 a.m. – 4:30 p.m.		
RWMA SCHOOL	RWMA Resistance Welding School Day 1 (W31) • 7:45 a.m. – 5:30 p.m.		
PROFESSIONAL PROGRAM	Session 4: Laser & Hybrid Processes (W33) 8:00 a.m. – 12:00 p.m.	Session 6: Mechanical & Corrosion Properties (W33) 2:00 p.m. – 5:30 p.m.	
	Session 5: Welding Metallurgy (W33) 8:00 a.m. – 12:00 p.m.	Session 7: FSW & Solid-State Processes (W33) 2:00 p.m. – 5:30 p.m.	
	International Brazing & Soldering Symposium (W33) • 9:00 a.m. – 2:30 p.m.		
SPECIAL PROGRAMS	Education Program (including Plummer Lecture) (W39) • 9:00 a.m. – 12:00 p.m. NEW Free Certified Welding Sales Representative – Sample Session (W40) • 9:00 a.m. – 12:00 p.m. NEW Free Certified Welding Supervisor – Sample Session (W41) • 1:00 p.m. – 4:00 p.m.		

THURSDAY, NOVEMBER 4**SCHEDULE-AT-A-GLANCE**

TECHNOLOGY	8:00 a.m. – 10:00 a.m.	10:30 a.m. – 12:30 p.m.
CUTTING	NEW Use of Lasers in Renewable Energy Applications (F70)	
FINISHING NEW TRACK!	Racking & Stripping: Finishing Essentials (C70)	Curing Options: Beyond Conventional Curing (C80)
	Structured Troubleshooting: A Disciplined Approach to Finding & Resolving Paint Issues (C71)	Measurement, Testing & Safety: Critical Finishing Issues (C81)
	Process Control and Preventive Maintenance for Electrocoat Systems (C72)	Troubleshooting Your Electrocoat System (C82)
FORMING & FABRICATING	Coil Processing (F71)	NEW Environmentally Friendly Surface and Part Cleaning Options (F80)
GREEN/ENERGY INITIATIVES	NEW What Color is Compressed Air? Automation Makes it Green (F72)	
MANAGEMENT	Total Productive Maintenance for the Fabrication Job Shop (F73)	NEW Building Successful Work Teams (F81)
	NEW How Healthcare Reform Impacts Fabricators (F74)	Four Steps to Improving Sales and Productivity in a Recession (F82)
	NEW Increasing Revenue Through Collaborative Efforts (F75)	
STAMPING	Cost-effective Environmental Strategies (S70)	Selling to the Government (S80)
	Forming Simulation (S71)	
WELDING		
CONFERENCES	The Welding and Cutting of Pipe and Tubing (W24) • 9:00 a.m. – 4:00 p.m.	
SEMINARS	D1.1:2010 – Design of Welded Connections and Qualifications (W29) • 9:00 a.m. – 4:30 p.m.	
RWMA SCHOOL	RWMA Resistance Welding School Day 2 (W31) • 8:00 a.m. – 3:45 p.m.	
PROFESSIONAL PROGRAM	Session 8: Arc Welding Applications (W34) • 8:00 a.m. – 12:00 p.m. Session 9: Applied Technology (W34) • 8:00 a.m. – 12:00 p.m. Session 10: Process Modeling (W34) • 2:00 p.m. – 4:30 p.m. Session 11: Sensing & Control (W34) • 2:00 p.m. – 5:00 p.m.	
SPECIAL PROGRAMS	Education Program (including Plummer Lecture) (W39) • 9:00 a.m. – 12:00 p.m. NEW Free Certified Welding Inspector – Sample Session (W42) • 9:00 a.m. – 12:00 p.m. NEW Free Certified Radiographic Interpreter – Sample Session (W43) • 1:00 p.m. – 4:00 p.m.

FREE EXPO ADVANCE REGISTRATION FORM

- **FREE** advance registration with this form. Register onsite and pay the \$50 onsite registration fee.
- Online registrants: receive an immediate e-mail confirmation. Fax/Mail-in registrants: receive confirmation within 3 business days.
- Students: Do not use this form to register. Please call (800) 733-4763 for assistance.
- No one under 16 years of age admitted.

3 EASY WAYS TO REGISTER:

ONLINE: www.fabtechexpo.com

FAX: (708) 344-4444

MAIL TO: FABTECH 2010

CompuSystems
P.O. Box 541
Brookfield, IL 60513-0541
USA

If you register online or via fax, DO NOT mail this form. Photocopy this form for additional registrants.

Mr. Ms. Mrs. Dr.

PLEASE PRINT - One Form per Person

Title _____

BUSINESS ADDRESS REQUIRED:

Company _____

Address _____

Address _____

City/State/Zip _____

Postal Code/Country _____

Phone _____ Ext. _____

Fax _____

E-mail _____

Please do not use my e-mail for communications outside of FABTECH.

Please call (800) 733-4763 if you require special assistance.

PRIORITY CODE:

1. Are you a first time visitor to the show?

A Yes B No

2. Check if you are a member of:

A AWS E CCAI
B FMA F NAM
C SME G AMT
D PMA H None of the above

3. Check your ONE primary job function:

1 Job Shop Owner 9 Inspector/Tester
2 Company Management/Corporate Executive 10 Product Design & Development
3 Manufacturing Production 11 Distributor
4 Foreman/Leader/Supervisor 12 Purchasing
5 Welder, Welding Operator 13 Sales/Marketing
6 Finishing Line Operator 14 Educator/Instructor
7 Manufacturing Engineering 15 Other
8 Welding Engineer

4. Check the number of employees at your facility:

0 Less than 20 4 250-499
1 20-49 5 500-999
2 50-99 6 1,000-2,499
3 100-249 7 2,500 and Over

5. Indicate the products or services you plan to evaluate at the show:

A Arc Welding T Plate & Structural Fabricating
B Assembly U Press Brakes
C Bending & Forming V Punching
D Brazing & Soldering W Resistance Welding
E Business Services X Robotics
F Coil Processing Y Safety & Environmental
G Cutting Z Saws
H Fastening & Joining AA Software, Machine Controls
I Finishing/Organic BB Stamping
J Finishing/Inorganic CC Thermal Spraying
K Gases & Gas Equipment DD Tool & Die
L Hydroforming EE Tooling
M Inspection & Testing FF Tube & Pipe Fabricating or Welding
N Job Shop/Contract Mfg. GG Tube & Pipe Producing
O Lasers HH Welding Consumables
P Lubrication II Welding Machines
Q Maintenance & Repair
R Material Handling
S Metal Suppliers

6. Indicate your company's total budget for these products or services during the next 12 months:

A Up to \$20,000 E \$500,001-\$1,000,000
B \$20,001-\$50,000 F \$1,000,001-\$5,000,000
C \$50,001-\$200,000 G Over \$5,000,000
D \$200,001-\$500,000

7. Indicate your purchasing authority:

A Evaluate/Recommend C Approve
B Specify D No Role

8. Check the primary industry your company serves:

A Agriculture/Landscaping Equipment N Medical/Surgical
B Aircraft/Aerospace O Industrial/Commercial Machinery
C Automotive P Fabricated Metal/Stampings
D Rail
E Shipbuilding/Marine Q Chemical & Petroleum
F Other Transportation R Alternative Energy
G Architectural Engineering S Mining/Utilities
H Construction T Government/Military
I HVAC U Education
J Appliance V Non-Manufacturing
K Consumer Products X Other Manufacturing
L Electronics/Computers
M Furniture
Please specify: _____

9. To help us better understand the demographic profile of our audience, please indicate the year you were born: 19__

PAYMENT

Forms received without payment will not be processed. Payment due in U.S. Funds.

Check enclosed (checks payable to SME) Total amount due \$ _____
 Authorize charge to my credit account (Complete credit card information below)

*Nonmember price for AWS Sessions only includes a two-year AWS Individual Membership (except the Welding Education Conference). Member benefits include a subscription to the Welding Journal, a 25% discount on AWS publications, membership in a local section and more.
 **Nonmember Student Professional Program price includes a one-year AWS Student Membership.

Cancellation Policy
 Cancellations must be made in writing and faxed to Attn: FABTECH Conference Cancellation at (313) 425-3407 no later than October 15, 2010 to receive a full refund minus a \$50 administrative fee. Cancellations received after this date are non-refundable.

ALL THE OPPORTUNITIES

KEYNOTE PRESENTATIONS

FREE AND OPEN TO ALL ATTENDEES

Location: Solutions Showcase Theater, Hall B

FABTECH is more than just a trade show. The event offers countless opportunities for you to gain the knowledge you can use to advance your career or improve your business. The programming is designed to help you survive and thrive in today's economy.

TUESDAY, NOVEMBER 2 • 9:30 – 10:30 a.m.

Diversify Your Business or Die (K1)

In today's manufacturing environment, relying on one customer, one market or one process can spell certain death — diversifying is critical to survival. But understanding your choices and deciding how and when to diversify can be complex. This panel discussion will bring together your peers — those who have been there and done that — along with diversification experts to share what works and what doesn't, identify an approach that fits your business and discuss the risks and rewards of various diversification options. Attending this session will arm you with first-hand perspectives and insights you can use to jumpstart and grow your business.

Moderator: Paul Veryser, Strategic Leader, Novitas Advisors

Panelists: Roy Verstraete, President and CEO, Anchor Danly
Sam Strausbaugh, Managing Partner, Defiance Metal Products
Brent Schwartz, VP of Engineering, MetoKote Corporation

WEDNESDAY, NOVEMBER 3 • 9:30 – 10:30 a.m.

Make Green by Going Green: How Manufacturers Can Gain a Competitive Advantage (K2)

Case study after case study, the pursuit of sustainable manufacturing practices and execution of conservation principles have proven profitable for manufacturers. This keynote panel will focus on how implementing a “practical lean and green” approach to consuming water, gas, utilities and raw materials can benefit not only the environment, but your business as well. Our panelists will share examples of how they've done it. If you want to learn how to improve your bottom line and gain a competitive advantage by going green, this unique presentation is for you!

Moderator: Kristin Pierre, Manager-Green Suppliers Network, U.S. EPA

Panelists: Mary Ellen Mika, Manager-Energy & Environment, Supply Chain Dept., Steelcase, Inc.
Jon DeWys, Owner, DeWys Manufacturing,
John Spangler, Technical Steward, Caterpillar

ALL THE OPPORTUNITIES

SOLUTIONS SHOWCASE

FREE AND OPEN TO ALL ATTENDEES

Location: Solutions Showcase Theater, Hall B

Ready to find solutions and strategies for operating a more efficient and competitive business? Stop by this popular theater area to hear FREE expert-led sessions covering a wide range of hot topics, including sessions related to the keynote presentations.

TUESDAY, NOVEMBER 2

11:00 a.m. – 12:00 p.m.

Look Before You Leap — The Economics of Diversification (T1)

Although diversification into new markets and production areas can be an exciting and profitable step, relying on vague beliefs that an industry or market is a good fit with existing operations, or that recent market or industry trends are indications of long-term health, could spell long-term failure. Get the updated insight on how our manufacturing markets are performing and what's in store for the future. Consider regulatory issues, costs of entry, distribution and other economic factors that will ultimately impact your diversification success.

Presented by: **Dr. Chris Kuehl**, Managing Director, Armada Corporate Intelligence
Dr. Ken Mayland, President, ClearView Economics

12:30 – 1:30 p.m.

The Nuts and Bolts of Diversification (T2)

What is your growth strategy, and how will you get it to work? During this down-and-dirty presentation, gain the knowledge and tools to accurately assess your current business performance and check that your strategy reflects what your business does well. Understand how your current resources will change, like sales and marketing, workforce development and cross-training. Finally, how will you finance your growth strategy? These questions, and more, will be answered.

Presented by: **Paul Veryser**, Strategic Leader, Novitas Advisors

2:00 – 3:00 p.m.

The Choice to Merge or Acquire (T3)

The list of good reasons for growing your business through acquisitions or mergers is long and compelling: acquire additional skills, broaden customer base, expand funding, diversify products and reduce competition. But the list of what can go wrong may have you thinking twice. Without the time and consideration in carefully planning your expansion, you may end up in a bidding war, damage your core business, lose your business culture or a myriad of resources. Get expert advice in forecasting the potential pitfalls and confidently decide if your business is ready for expansion through acquisition or merger.

Presented by: **Robert Contaldo**, Managing Partner, Corporate Finance Associates

WEDNESDAY, NOVEMBER 3

11:00 a.m. – 12:00 p.m.

The Lean and Green Audit: Step One to Practical Green (T4)

The U.S. EPA and NIST-MEP network have partnered to form the Green Suppliers Network (GSN). Using the value stream mapping process, the GSN team focuses companies on incorporating process, energy and material efficiencies into their operations, leading to substantial environmental benefits and reductions in labor and capital costs. Learn how manufacturers have saved money and improved the environment by taking this first audit step.

Presented by: **Kristin Pierre**, Manager, Green Suppliers Network, U.S. EPA
Mary Ellen Mika, Manager, Energy & Environment, Supply Chain Dept., Steelcase, Inc.

12:30 – 1:30 p.m.

Is It Possible to be Lean and Green with Your Finishing System? (T5)

Finishing systems have never been thought of as lean...or green. In fact, some lean experts believe that paint is the one production area in today's factories that cannot conform to the lean methodology. Learn some of Caterpillar's trade secrets that make your finishing system lean with point of use access to your factory floor. Also, decrease the amount of valuable floor space, while cutting energy and chemical costs compared to the traditional monument systems.

Presented by: **John Spangler**, Technical Steward, Caterpillar, and Technical Advisor for IntelliFinishing

2:00 – 3:00 p.m.

Converting Factory Lighting: Process and Payback (T6)

Many metal fabrication, stamping, welding and finishing operations have converted to high-efficiency lighting and have seen payback within 12 months. Converting these bulbs and fixtures has become a logical first step on the road to energy efficiency. Learn the steps necessary to complete this conversion in your own facility.

Presented by: **Ankur Patel**, Outside Sales Associate, MSC Industrial Supply

3:30 – 4:30 p.m.

Outlook for Welded Pipe Usage in Natural Gas Shales (T7)

Forecasts are strong for pipe installations in a variety of natural gas shale regions in North America. Attend and learn what's new in welding and pipe for natural gas installations, and the latest forecasts and expected installation schedule for the near future.

Presented by: **John C. Bruskotter**, President, Bruskotter Consulting Services, and President, AWS

ALL THE OPPORTUNITIES

THURSDAY, NOVEMBER 4

10:00 – 11:00 a.m.

The Essentials of Job Shop Marketing (T8)

It is very challenging in manufacturing today; how to survive and grow as the economy sorts itself out. Many marketing-savvy contract manufacturers & job shops are being aggressive, right now! They are going after new business while others are hiding their heads. This session points you in the right direction without breaking the bank. Topics we will discuss:

- What's so important about Web sites & tradeshow displays?
- What is required in a successful Web site?
- How much WOW-factor should you have and why?
- How much thought to give to Google and Bing.
- How to avoid the easy but fatal mistakes.
- How much should you be investing right now?

Presented by: **Rob Edwards**, VP, The Job Shop Company

AWS SKILLS COMPETITION WELD-OFF

Location: Show Floor, Hall C

Tuesday, November 2 • 9:00 a.m. – 5:00 p.m.

Wednesday, November 3 • 9:00 a.m. – 5:00 p.m.

Thursday, November 4 • 9:00 a.m.–3:00 p.m.

The top six finalists selected from 24 student welders that competed in the SkillsUSA Championships 2009 and 2010 will be showcased. They will test their skills in this qualifying event for the WorldSkills Competition in London, England, in 2011, and only three will advance to the next round.

Don't miss the chance to see the competitors demonstrate their skills by completing standard test welds (plate and pipe), sheet metal projects in aluminum and stainless steel and a pressure vessel.

JOB FAIR & CAREER PAVILION

Location: Show Floor, Hall C

FREE AND OPEN TO ALL ATTENDEES

Tuesday, November 2 • 9:00 a.m. – 5:00 p.m. (Job Fair only)

Wednesday, November 3 • 9:00 a.m. – 6:00 p.m.

Thursday, November 4 • 9:00 a.m.–4:00 p.m.

Get your resume ready! Whether you're a veteran professional or a student just entering the workforce, the Job Fair & Career Pavilion will give you an excellent opportunity to network with prospective employers, education and career development advisors and other job seekers.

When you visit the pavilion, please dress appropriately and bring your résumé – you may get an interview on the spot!

REFER YOUR COLLEAGUES – WIN GREAT PRIZES!*

You already know that a trip to FABTECH is a great opportunity, now bring along your colleagues to enjoy the experience too. For each person you refer who registers to attend FABTECH, you will be entered into a drawing for a chance to win thousands of dollars worth of great prizes. Prizes include: Portable HP laptop, Apple 32GB iPod® Touch, Flip Video UltraHD Camcorder, \$100 Visa gift cards, or one of the other great prizes we're giving away.

Go to www.fabtechexpo.com/referral today to learn more about this rewarding opportunity!

*Images depicted do not represent actual prizes. iPod® is a registered trademark of Apple Corporation. Apple is not a participant or sponsor of this promotion. Flip Video is a registered trademark of Cisco. Cisco is not a participant or sponsor of this promotion.

“Referring colleagues to FABTECH is a good thing – the show provides many new manufacturing technologies that can improve your business. Best of all, participation was easy. After I registered I received an email confirmation with my referral code. When other people I work with showed an interest in attending, I actually completed their registration for them.”

– Joseph J. Garlin
2009 FABTECH attendee, Winner of an HP Laptop

CONNECT WITH FABTECH

Attendees and exhibitors can stay connected with FABTECH and with each other before, during and after the show. You can find FABTECH on LinkedIn, Facebook and Twitter. If you're not already connected — join today!

ALL THE PLANNING TOOLS

SAVE TIME — PLAN YOUR VISIT TO FABTECH ONLINE!

These quick and easy Web tools provide the convenience of mapping out your visit before you get to the show.

You can map your trip through the show floor, preview much anticipated new products about to enter the industry and save it all under your profile by using the My Show Agenda Planner.

ALL IN ONE PLACE

EXPERIENCE ATLANTA!

Atlanta, Georgia, is located in the southeastern region of the United States and is known for its temperate climate and Southern hospitality. While visiting FABTECH, make sure to balance business with pleasure and take time to explore Atlanta.

In addition to over 8,000 restaurants and cafes, the city is home to many attractions, many of which are just a few steps from the Georgia World Congress Center. So extend your stay to experience the city lights and Southern nights in Atlanta. Use www.attend.atlanta.net as a resource to help plan your trip today!

GEORGIA WORLD CONGRESS CENTER

Located in the heart of downtown Atlanta, the GWCC is easily accessible from both Interstate 20 and the Connector (Interstates 75/85). The GWCC campus is served by two MARTA (Metropolitan Atlanta Rapid Transit Authority) stations. Visit www.gwcc.com for driving directions, parking information and a variety of other services available.

285 Andrew Young Intl Blvd NW • Atlanta, Georgia 30313
(404) 223-4000 • www.gwcc.com

GWCC PARKING

Getting to the Georgia World Congress Center is easy, and thanks to more than 4,500 parking spaces on campus, so is parking. The GWCC operates five surface lots and two parking decks — all located within the convention, sports and entertainment campus. Parking rates are \$10 or less for all-day parking. FABTECH exhibits are located in BOTH B and C HALLS at the GWCC. Parking in close proximity to the pavilion or hall you visit will save time. Go to www.gwcc.com to find out more on directions and parking.

-  **Red Deck** Closest to Hall B featuring Finishing, Forming & Fabricating, Laser, Metal Forming-Tool/Die and Tube & Pipe Pavilions.
-  **Yellow Lot & Blue Lot** Closest to Hall C featuring Welding and Thermal Spray Pavilions.

ALL IN ONE PLACE

HOTEL INFORMATION

FABTECH is pleased to provide you with the best hotel options and rates through Experient, the Official Housing Provider for the show. These great rates are only available when you book through Experient and are good through **October 1, 2010**.

Go to www.fabtechexpo.com to conveniently reserve your hotel rooms, preview hotel descriptions, download a map of hotel locations and more.

Hotel	Single/Double Rate	Distance to the GWCC
Westin Peachtree Plaza	\$169 Single/Double	1/2 mile
Sheraton Atlanta	\$165 Single/Double	1 mile

SHUTTLE SERVICE

Shuttle service is provided to/from Georgia World Congress Center for all the hotels in the FABTECH block noted above except for the Omni Hotel at CNN Center and Hilton Garden Inn. Both are within walking distance of the GWCC.

TRANSPORTATION

From the Hartsfield-Jackson Atlanta airport where 80% of the U.S. population is within a 2-hour flight, to the economical MARTA system that arrives within minutes to downtown, Midtown, Buckhead and points north, Atlanta has many forms of transportation available. Whatever your transportation needs, Atlanta has it covered.

AIRPORT

With one main airport, Hartsfield-Jackson Atlanta International Airport, and a variety of Atlanta transportation options, getting around the city is easy. Go to www.atlanta-airport.com to find the most up-to-date information.

BUS & RAIL SERVICE

MARTA, Atlanta's mass transit system, is an economical way to make your way around the city. A convenient bus or train ride is available for just \$2 each way. Fares, schedules and routes are subject to change. Go to www.itsmarta.com to find the most recent information concerning MARTA.

CAR

Atlanta is accessible via Interstates 20, 75 and 85 and Georgia 400, I-285 forms a beltway around the city.

To help you navigate your way in, out and about the city, go to www.atlanta.micromaps.com.

TAXI CABS

Atlanta has established set taxi fares between the airport and the downtown convention district and several other locations. Go to www.attend.atlanta.net for complete details.

Taxi Fee Structure Business District

Flat Rate Zone from/to the Airport
Downtown \$ 30.00
Buckhead \$ 38.00
Midtown \$ 32.00
