

## **Richard Rawlings**

Richard Rawlings is founder of Gas Monkey Garage, a world-renowned hot rod shop, which is featured on the wildly popular Fast N' Loud on the Discovery Channel. Richard is a multi-talented person as he is an American car builder, entrepreneur, media reality television personality, and race car driver. In the beginning of his career, he worked as a firefighter, Law enforcement officer and also a paramedic until the age of 21, he started his own printing and advertising company. Later on, he sold the company and launched Gas Monkey Garage. This shop transported and created automobiles for customers worldwide and since 2012; it has been the focus of the Discovery Channel series Fast N' Loud. In 2015, Richard published his first book, an autobiography, entitled "Fast N' Loud: Blood, Sweat, and Beers".
